

Ice-breaking Agenda, 2019/08/18

(1) 11:20~11:25 (5min) Announcement

- Message to the coordinators: encourage group members to discuss and share their experiences with others.

(2) 11:25~12:00 (35min) Questions (templates) for Group Discussion

- Member's brief self-introduction (name, organization, position, research interests)
- Have you ever been a member of a statistical society? What are they? (ISI, ASA, RSS, ...)
- What inspired you to become a member of a statistical society?
- What do you think that the organization like ISI can provide help to young people?
- What do you think is most important in your career?
- What courses do you teach in school if any?
- What are your opinions about statistics education (teaching and learning of statistics)?
- What programming languages or statistical software do you use in your research/teaching?
- Do you prefer to do research independently or in collaboration with others?
- What is a biggest challenge you are facing right now? (research/teaching/service)
- Why did you decide to pursue a major in statistics in college?
- What suggestions you would give someone who is entering the field of statistics?
- What's the best piece of advice you've ever been given?
- What was the conference/workshop you last attended? How was it? Do enjoy traveling?
- What do you want to be doing in five years?
- What are your long-term career goals?
- What are your hobbies or interests outside of work?
- What do you think of the YS-ISI Workshop so far? Have the sessions/events been helpful?

(3) 12:00~12:05 (5min) Selfie Time

- Ask a member to take a selfie together and post it on the social media platforms (e.g., Facebook, Twitter, and Instagram etc.) using a hashtag **#YoungStatisticiansISI2019**.

(4) 12:05~12:20 (15min) Small Group Sharing

- Invite a group member to share his/her summaries to all of the audience. (choose any subject you just discussed)
